Ottawa County Genealogical Society

P. O. Box 1383
Miami, Oklahoma 74355

The objectives of the Ottawa County Genealogical Society include.....

- ✓ To encourage and promote the study and enjoyment of genealogy.
- ✓ To discover, procure, and preserve whatever may relate to the civil, religious, social, and culture and natural history of Ottawa County, Oklahoma and the surrounding areas.
- ✓ To gather and/or share genealogical research information so as to enable members of the Society and general public to further their family research.

The genealogical provides one on one problem solving and networking at each monthly and the public is encouraged to attend. Other programs and workshops are also offered throughout the year.

The members of the society enjoy interesting and educational programs on a monthly basis and sometimes take interesting trips to various genealogical and historical research sites. Additionally, the organization has supported the Newspaper Archive at Northeastern Oklahoma A & M College, Miami, which is open to public use.
